STRATEGIC PARTNERSHIP:

AS9100 Certified Company

Fabrication Company

Design, Detail Mechanical or Structural Projects

CWB Certified Company in Welding of Steel Div 2

CWB Certified Company in Welding of Aluminum Div 2.1

Our access to equipment includes:

Vertical CNC Mills Spindle Speeds

CNC 9 Axis Lathe

Digital Readout Milling Machines

Surface Grinder

Vertical and Horizontal Band Saws

CNC Dual Head Water Jet 14' x 10'

CNC Router

60" Roll former

Welding services to all types of material

Horizontal CNC Mills

CNC Tap & Drill Machine

Stamping Press

Heat Treating Furnace

100 Ton Press

CNC Plasma Cutter

CNC Press Break

CNC Shear

10 ton overhead cranes

**Registered with Procurement Strategy for
Aboriginal Business and in the Aboriginal Business Directory.**
